

HEALTH CHALLENGE ACCEPTED AND SOLVED FAST.

FOR ALL CLASSES OF SWINE

FURSTSTRIKE
DIRECT™

KEY BENEFITS

- FurstSTRIKE Direct™ is vital for nutritionally supporting pigs during health challenges via **drinking water**
- Helps supply nutrition to pigs during health challenges that cause diarrhea, such as Rotavirus, Clostridia and *E. coli*
- Gets pigs back on feed and water DURING health challenges
- Patented technologies designed to support the animal's immune system by providing key nutrients
- Serves as an energy source for pig's immune cells
- Supports gut health *and* overall health

PRODUCT DESCRIPTION

- Exclusive essential oils and unique natural extracts that are sources of key phytonutrients
- Exclusive proprietary source of monoglycerides of short-, medium- and long-chain fatty acids, with a focus on long-chain and medium-chain monoglycerides

APPLICATION RATE

- Provide continuously without break for 3 to 7 days
- Metered at 1:128

REGULAR DOSING LEVEL
1 bottle FurstSTRIKE Direct
+ 5 gallons of water

HIGH DOSING LEVEL
2 bottles FurstSTRIKE Direct
+ 5 to 7.5 gallons of water

MIXING DIRECTIONS

- Add the correct amount of water to the stock bucket first, then add FurstSTRIKE Direct
- **Critical last step, give the stock solution a vigorous stir for 30 seconds to establish the final mixed stock solution**
- Use stir pump if available
- If no stir pump is available, mix in AM and PM

PRODUCT FORMULATION

- Golden yellowish liquid with unique aroma

REGULATORY STATUS

- Natural feed supplement that uses only AAFCO-approved ingredients
- Not for human consumption

STORAGE & HANDLING

- Store at room temperature (>70°F)
- Do not refrigerate
- Store in a dark place, away from sunlight
- Avoid contact with skin and eyes
- Avoid inhalation
- Do not mix with any type of acid in stock solution (e.g. citric acid)
- Do not mix with aspirin

Note: Always review Safety Data Sheet (SDS) prior to handling.
